BEAUTY HEROES

Each week, experts share their insider knowledge

Eyebrow guru Shavata Singh has worked with Nell McAndrew and Jade Jagger.

What's your favourite new product?
New ID lip glosses (£13) have a light and mirror built in – great for doing your make-up on the go!

Tell us a celebrity beauty secret
Nell McAndrew has great skin because she always takes off her make-up straight after a shoot to let her skin breathe.

What's your best beauty trick?
I cut a tube of cream in half when it's nearly finished to use it all up.

Which make-up styles will be popular with celebs this winter?
False lashes. They add glamour and can transform your look. At my Lash Lounge in London's Harrods, you can choose from a variety of lashes and have them applied professionally.

TRIED & TESTED BUBBLE BATH

This week, we tried bubble bath from £1.46 to £15.66. Here are our top three

BEST FOR FRAGRANCE

This is thick, creamy and very bubbly. It contains ylang ylang and coconut milk and smells lovely and sweet – just like a spa!
Exotic Bubble Float, Champneys, £10

BEST FOR MOISTURISING

This vanilla-scented bath cream hydrates skin so well that there's no need to moisturise after a nice soak in the tub.
Nourishing Bath Elixir, Sanctuary, £6.30

BEST FOR BUBBLES

This creates lots of bubbles and also has a lovely scent that's not overpowering. We love the classic glass bottle too.
Bath Foam, Boots, £8
